

Welcome to Rhythm 2019!

We are pleased that you will be part of our 30th season at Rhythm Brantford at the beautiful Sanderson Centre for the Performing Arts!

Rhythm has joined up with DanceBUG this year for online registration. Thank you for adding all your studio information to your DanceBUG account, it certainly has been a huge learning curve and we appreciate your help!

In honor of our 30th Anniversary we are happy to give to you, free pictures and videos of your dancers. Make sure you download the DanceBUG app (free in the App Store and Google Play) When the competition begins you can access the “Live Schedule” telling you the dance “on stage” and the next 5 dances to follow! If you want to redeem media you can do it on the app, you need food or gas near the venue it’s on the app. Be sure to download it!!!

SANDERSON CENTRE THEATRE:

Rack’n Roll bags are not permitted anywhere in the theatre. There is not room to store these bags as dressing room space is limited. Parents and dancers please cooperate with this rule that the Sanderson Centre has made. We feel it is far more important to have space for Dancers, more than costume storage. Thank you for your cooperation in advance!

PROPS: Small props can be dropped off at the loading dock, the day it is needed but **must be picked up every night**. Larger props/set pieces need to come in as close to when needed as possible and then go back out as soon as they are removed off stage. Space is tight! The theatre must maintain enough space and a path through the Loading Dock for a Fire Exit, so props can be safely loaded in and out. Props cannot be left overnight.

MUSIC is played by the Front of House Theatre Technician. A playlist has been made from the music that was uploaded through your DanceBUG account. Please remember to bring a back up of your music on a USB.
