DANCE
28 years of...DANCE DONE RIGHT!

We are looking forward to showcasing your dancers on stage at Rhythm Brantford this weekend!

PLEASE...Rack & Roll bags are NOT permitted in the theatre. There is simply no room for storage of all the bags with the limited change room space. May we suggest plastic garment bags for each costume and take the costume to the car when the dance is done. We feel it is more important to have space for DANCERS, not costume storage. PLEASE, moms and dancers, please cooperate with this rule that the Sanderson Centre has made. Thank you in advance!

Sanderson Centre staff and staff of Rhythm Dance

Rack and Rolls will NOT be allowed in the Sanderson Centre.
